Hotel Romanico
Palace

The Romanico Palace Hotel
is set in an ancient palace of 19th Century.
It has been open in 2007, it is an independent hotel
it is managed with love and care
by Dr. M. Mencucci's family

Its design and decor are very Classic and they recall the antique splendor of Rome and its glorious history in every room and all public areas.

Even though it looks antique, it offers all the modern comforts like 2 large elevators, strong A/C, powerful WIFI, electronic safes, flat screen TVs
